

Ndakinna Education Center

Ndakinna Camp COVID-19 Protocols:

- Registration and sign-in will be completed in parking lot area to limit indoor gathering.
- Staff must wear mask at all times during check in and sign out.
- Staff and camper temperatures will be taken each morning and recorded.
- COVID release form and questionnaire signed by all. Questionnaire signed daily – Included in binder.
- Mask will be worn by all staff within 6' of campers and fellow staff (outdoors).
- While outdoors, kids will practice social distancing and wear masks if within less than 6' of each other.
- Mask worn by all, while indoors, until sitting and 6 feet apart. Mask must be put on upon standing.
- Campers pre-divided into 3 groups no larger than 15 each.
- Groups and staff from each group cannot mix.
- When indoors, groups must utilize separate rooms.
- Hand sanitizer needs to be provided when campers/counselors are in contact with any shared surfaces or objects.
- Bandanas used as blind folds to be single use (one child) then put in wash bin.
- Shared surfaces (door knobs, indoor sitting areas, toilets, sinks, etc.) to be cleaned twice a day (mid-day and end of day). All floors will be disinfected at the end of each day.
- Please see NYS form provided for any additional protocols (highlighted) – Included in binder.
- Only one child allowed in the rest room at a time. Must observe markers on the floor while on line for rest room.
- If a child or staff is not feeling well, they should immediately be removed from the group and parent/guardian should be contacted.
